

# Questions About Taking Medications at Home

[www.LLS.org](http://www.LLS.org) • 800.955.4572

Asking your healthcare provider questions can help you take an active role in managing your (or your child's) care. If you do not understand any part of the information your healthcare provider gives you, ask him or her to explain it in another way.

Doctor's name \_\_\_\_\_

Date of appointment or call \_\_\_\_\_

**1.** What if I miss a dose?

---

---

---

**2.** What if I vomit (throw up) right after I take my medicine?

---

---

---

**3.** Is it okay to drink alcohol during my treatment?

---

---

---

**4.** When should I take my medicine?

---

---

---

**5.** For how long do I take my medicine?

---

---

---

**6.** How should I store my medicine?

---

---

---

**7.** Do I need to take this medicine with food?

---

---

---
