

# Questions About Treatment Side Effects

www.LLS.org • 800.955.4572

Asking your healthcare provider questions at any phase of your treatment will help you take an active role in managing your (or your child's) care. If you do not understand any part of the information your healthcare provider gives you, ask him or her to explain it in another way.

Doctor's name \_\_\_\_\_

Date of appointment or call \_\_\_\_\_

**1.** What are common side effects of this treatment?

---

---

---

**2.** What are less common side effects of this treatment?

---

---

---

**3.** When are side effects likely to happen?

---

---

---

**4.** Are there any side effects I should tell my doctor about right away?

---

---

---

**5.** What can I do to ease side effects?

---

---

---

**6.** How will my treatment affect fertility, pregnancy or breastfeeding?

---

---

---

**7.** What are the long-term and late effects of my treatment?

---

---

---
