Patient and Family Connections Meeting

The Leukemia & Lymphoma Society (LLS) **Patient and Family Connections Meeting** gives patients and their families a place to go where they can share information, education and feelings in a comfortable and caring environment. The Patient and Family Connections Meetings are a coping tool, in conjunction with your or a loved one's medical treatment.

TOPIC THIS MONTH

Health Plan Coverage - Managing Insurance and Expenses During Illness

We are living a historic moment in relation to the field of health insurance coverage and access to care. For most people, health plan coverage is an important consideration when choosing a cancer specialist or treatment center. Your health insurance requirements will play a vital role in this decision.

- Selecting health insurance
- Understanding the health insurance system
- To have knowledge of Affordable Health Care as it relates to Medicare, Medicaid, and other insurances
- What questions to ask
- Where to go for assistance

This meeting is open to persons with any type of cancer diagnosis

Date: September 3, 2013
Time: 6:30pm-8pm
Location: St. Joseph's Hospital Medical Arts Building
Auditorium # 1
3001 W Dr MLK Jr Blvd, Tampa FL 33607

Location/Parking: Enter hospital driveway at red light at MLK and MacDill Ave.
