Finding ways to say thank you are not always easy

You can recognize someone who has helped you through one of your toughest times by making a donation in their name to The Leukemia & Lymphoma Society whether they are a:

- Family Member
- Physician
- Nurse
- Floor or wing at the hospital
- Surgeon
- Caregiver
- Fellow patient
- Anyone who has put a smile on your face during your tough time

In return your Guardian Angel will receive a:

- Lapel Pin *
- Certificate
- Recognition by LLS on our website

* If you recognize a floor, wing, or company, a plaque will be provided to the group

LEUKEMIA & LYMPHOMA SOCIETY®
fighting blood cancers

By recognizing and honoring your Guardian Angel, your donation will aid in finding cures for leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

"The Leukemia & Lymphoma Society has been there for us, with support and information that has helped immensely. We formed a friends and family team for Light the Night and it feels so rewarding to raise funds to help others who, like Layla, are bravely battling blood cancers."
- Alecia Hefter, Layla's mom

River Walk Corporate Centre
333 East Carson Street, Suite 441
Pittsburgh, PA 15219

LEUKEMIA & LYMPHOMA SOCIETY
Guardian Angel

For more information please call:

or visit our website:
www.lls.org/wpa/angel

Right now, you have the opportunity to help cure blood cancer. Whether you are a patient, caregiver, family member or friend, The Leukemia & Lymphoma Society has many ways for you to get involved.
The **Guardian Angel** program directs much needed funds to research while recognizing those who have helped you, or a loved one, through their diagnosis and treatment.

Your donation will be supporting projects across the entire research continuum, from basic laboratory science through clinical trials. LLS is committed to working with biotechnology companies to advance projects more quickly from laboratory to clinical trials. Your contribution will also support LLS's services: providing patients with the latest disease and treatment information, support programs, and for many struggling with the financial hardship of a cancer diagnosis, financial aid and co-pay assistance.
Donations through **Guardian Angel** will help fund local research projects within our own chapter as well.

This program was designed to help you thank those who were there when you needed them AND to help those newly diagnosed, through your support of research and patient programs. Please thank a guardian angel in your life while being one to someone else!

It is a minimum donation of $25 for each "Guardian Angel" you wish to recognize.

Tell us your story!
