### ***King & Spalding's Discovery Center pushes "fore" a cure***

The law firm's annual golf tournament in Fayetteville raised nearly \$50,000 for The Leukemia & Lymphoma Society

**Atlanta, Georgia (October 27, 2011)** – The King & Spalding Discovery Center's annual golf tournament to raise money for blood cancer research was held on October 11<sup>th</sup> at the White Water Creek Country Club in Fayetteville. The event raised nearly \$50,000 for The Leukemia & Lymphoma Society. This is the fifth year the organization has hosted the golf tournament. In the five years they have hosted the event, the event has raised more than \$150,000 for the cause.

The golf tournament is called 'The Polly' after Polly Hatcher, a King & Spalding employee who lost her battle with Acute Myeloid Leukemia (AML). The money raised at this year's event will specifically be used to fund AML research through The Leukemia & Lymphoma Society.

Founding sponsors for this year's tournament are King & Spalding, TCDI, and IKON. Silver Sponsors are Paragon, Renew Data, and Global Legal. SourceHub and Catalyst Repository Systems are additional sponsors from King & Spalding's friends at IKON, and Corporate Sponsor, Recommind.

King & Spalding's Discovery Center, started in 1995, is dedicated solely to discovery, due diligence and other document related matters in the law field. The center consists of more than 180 professionals, including 150 full-time staff and project attorneys in addition to 14 paralegals and project assistants and 16 IT professionals working exclusively on discovery matters.

"We are thrilled to be the No. 1 third-party fund raiser for The Leukemia & Lymphoma Society in Georgia," says Tom Trebendis at King & Spalding. "The dedication of our Committee along with the generosity of our founding sponsors, corporate sponsors, hole sponsors, participants and volunteers make me confident that the Polly will continue to grow. We are proud to honor our dear friend Polly Hatcher and aid in the battle against blood disease."
