Patient Financial Aid Application

The Leukemia & Lymphoma Society (LLS) Patient Financial Aid program is for patients with significant financial need. Please contact LLS to find out if you are eligible for the Co-Pay Assistance Program before applying for patient financial aid. For eligible patients, LLS Co-Pay Assistance Program may offer a larger amount of financial support for select diseases towards the cost of insurance co-payments and/or insurance premium costs for prescription drugs. For more information, or to apply for the Co-Pay Assistance Program, call (877) 557-2672 or visit www.LLS.org/copay. Co-Pay assistance is based on fund availability.

The Patient Financial Aid program provides \$100 per year to help patients offset expenses. Receipts for expenses are not required. To apply, you or a loved one must be a US resident and be in active treatment or ongoing medical follow up for leukemia, lymphoma, myeloma, myelodysplastic syndromes or another blood cancer. Please have your prescribing healthcare provider complete and sign the box on the bottom of this form. This information is confidential. Please complete and return this form to your chapter. You can find your chapter by calling (800) 955-4572 or visiting www.LLS.org and entering your ZIP code into "Find Your Chapter."

The Reimbursement Period

- The Patient Financial Aid Program begins each July 1 and ends each June 30.
- Each year (after June 30), you will need to submit a new application form to your chapter to reapply for the program.
- All reimbursement is based on Patient Financial Aid Fund availability during the program period.
