

Abanner for the Fourney

Remembrance Geremony

Dear Family and Friends of The Leukemia & Lymphoma Society Many loved ones have passed away from battling a blood cancer.

Though they are no longer physically with us, we remember them and value their lives and cherish their memories.

We want to honor and remember them.

Every year our Light The Night Walk is graced with the presence of families and friends who join us for a Remembrance Ceremony.

Your presence will be an honor for us.
