ONLINE Chats – (Weekly) go to www.LLS.org/chat

The purpose of the chats are to provide a forum for patients to address the stresses and triumphs shared by those with their same diagnosis. Chats are open to discuss any issue related to living with a specific blood cancer: a new diagnosis, treatment decisions, relapse, treatment side effects, emotional toll, fatigue, clinical trials, living with uncertainty, etc. Chats are moderated by an oncology social workers and are password protected. Go to www.lls.org/chat to register for secure free interactive chat groups **weekly for NHL, CML, Myeloma, Caregiver, & Young Adult.**
