

CALL FOR RESEARCH PROPOSALS: Leukemia & Lymphoma Society - Snowdome Foundation Translational Research Program for the Treatment of Blood Cancer

Deadline for LOI: August 31, 2018, 3:00 PM (EDT)

The Leukemia & Lymphoma Society and the Snowdome Foundation are partnering to launch competitive grants to advance breakthroughs for the treatment of blood cancers. The program is focused on funding two \$600,000 (USD) Translational Research Program (TRP) awards.

The grants must be translational in nature.

The principal investigator (PI), or a co-PI, must be from Australia.

For details, visit: www.lls.org/research/translational-research-program

TRP

Letters of Intent (LOI) must be submitted electronically via the LLS Research Portal (lls.fluxx.io) by August 31, 2018, 3:00 PM (EST).

Only the most promising research projects will be invited to submit a full application, which must be received by October 31, 2018, 3:00 PM (EST). Awards will be announced by May 2019.
