

When you are diagnosed with cancer, you may feel overwhelmed with information. Ask your oncologist the following questions to make sure you have the answers you need.

> What is my diagnosis?

> What stage is my cancer? What is my prognosis?

> What are my treatment options? What would you recommend?

> Am I eligible for a clinical trial?

> What are the long-term and short-term side effects of treatment? How will these affect my normal activities?

> How can I manage these side effects?
