

## Patient Education

### Myeloproliferative Neoplasms (MPNs): The Changing Landscape

The Heights Community Center  
8001 Dale Ave, Richmond Heights, MO 63117  
Tuesday June 12, 2018  
Registration & Dinner: 6:00 pm; Program: 6:30 pm – 8:30 pm

*Complimentary dinner will be provided.*

#### Speaker

Stephen Oh, MD, PhD, Siteman Cancer Center

#### Guest Q&A Panel

Karyn Gordon, RN, BSN, Siteman Cancer Center  
Tammy Matuska, RN, Siteman Cancer Center  
Catherine Rogers, RN, MSN, ANP-BC, Siteman Cancer Center

#### Program

This program is designed to provide attendees with essential information that will help you participate more actively and confidently in decisions about MPN treatment and survivorship. MPN patients, caregivers, family/friends in attendance will gain a better understanding of:

- MPN treatment, including standard care and clinical trials
- Strategies to make informed decisions about treatment
- Tips for communicating with your health care team
- Strategies to manage disease and treatment side effects
- Strategies for managing ongoing cancer survivorship issues, including financial and employment challenges, as well as psychosocial issues
- Resources available in your local community, at cancer centers, and those provided by LLS

**Pre-registration for this free program is required.**
