

Co-Pay Assistance Program

Provides assistance of up to \$5,000 per year based on diagnosis (\$10,000 for Myeloma) and income for patients with some of our diagnosis. For more information or to apply, visit our website at www.lls.org/copaypatients or call (877) 557-2672.

Family Support Groups

With professional guidance, patients and family members can gain information and support with others who share similar experiences. (See listing on reverse.)

Patti Robinson Kaufmann First Connection

Patients and caregivers learn coping skills and gain hope from trained volunteer survivors, who share their special perspective on the recovery process.

Education Programs

We offer educational materials and programs free of charge to help clarify treatment options and strengthen decision-making and coping skills for patients and their families.

Information Resource Center (IRC)

Health professionals are available at (800) 955-4572 to provide accurate, up-to-date information on blood cancers. The Information Specialists are also available on the web (Live Help online) at <http://www.lls.org/support/information-specialists>

Advocacy

Advocacy volunteers contact their elected representatives to promote government research funding and improvements in public health policy.

Back to School

Provides informative materials, videos and a wealth of literature that help assure a child's smooth transition from treatment back to school and the activities of daily living.

Honoree Program

Honored patients and families provide inspiration for our Team In Training and special events participants, fueling their efforts to raise funds that support research and help patients.
