Pinellas Blood Cancer Support Group

Family Support Groups give patients and their families a place to go where they can share information, education and feelings in a comfortable and caring environment. They are for anyone affected by a blood cancer and are free. The meetings are designed to provide mutual support and education to members by meeting with others whose situations are similar to their own. They are a resource to support coping, in conjunction with your or a loved one's medical treatment.

Facilitator: Shandra Davis Psy. D.

Location: Florida Cancer Specialists and Research Institute,
100 Highland Ave, Largo, FL 33776

Time: 4:30 pm to 6:30 pm
