# IN GRATITUDE

The Leukemia & Lymphoma Society (LLS) is forever grateful to the donors, volunteers, researchers, healthcare professionals, foundations, partners, sponsors, and philanthropic leaders across the country who stand by us, year after year, as we attempt to *expand the possible*.

Thanks to your generosity, our efforts continue to break new ground as we “push the envelope” in research, patient support, advocacy, and fundraising.

We are especially appreciative of your support during this past year, allowing us to reach new heights, despite unprecedented and challenging circumstances.

We look forward to your continued partnership as we aim for a world where the *possibility* of curing blood cancers becomes a *reality*.

**Thank you for being part of our 2021 story.**
