

# LLS Community Guide: Editing your profile

1. Once logged in, Click your **Display Name** to edit your profile

2. Click **Edit profile** to make any changes or updates to your profile information

Only LLS staff (and you) can see the following information you provide:

**About Me:** Basic demographic and location information

**My Diagnosis & Treatment** (patients only): Optional questions about your cancer experience

**Notification Preferences:** Choose the types of emails you want to receive

*Note: only fields with the \* are required.*

*Note: Want to change your display name or email? Contact [community@lls.org](mailto:community@lls.org) to request the change.*
