

# LLS Community Guide: My Profile ( if you selected “Supporter” or “Healthcare Professional”)

While logged in, click on your **Display Name** in the upper right side of the screen.

1. On your profile screen, click the "Edit my story" red button. Add text reflecting your experiences as a supporter/healthcare professional and click "Save" red button. Specific instructions and guidance at <https://www.lls.org/article/telling-my-story-on-lls-community>.
2. Click the "Manage My Story Photos" red button and click "Add Photos" red button to add any photos you would like to share. To delete photos, exit Manage Photos and re-enter My Story Photos and click red x underneath photos you would like to delete. A pop up window will ask you to confirm deleting of photos.
3. On your profile screen, you also have options to view your Posts (click **Posts** tab) and Comments (click **Comment History** tab).

The screenshot displays a user profile for 'Triciatestpatient', a member since September 2020. The profile includes a navigation bar with tabs for 'MY STORY', 'POSTS', and 'COMMENT HISTORY'. A large photo shows a woman in a purple shirt and black shorts, wearing a race bib with the number 26392. Below the photo is a bio: 'My cancer journey began in 2002 when I was diagnosed with Hodgkin lymphoma. My partner and I were thinking about starting a family and I was considering a new job opportunity when everything stopped. I underwent six months of ABVD chemotherapy and 8 weeks of radiation to my head, neck and chest. During the last week of may radiation treatments, my oncologist called to let me know I was cancer free and no longer needed additional treatments. I was so excited. I celebrated my new found life! I left my job and founded a non profit organization and three years after completing treatment, I gave birth to my beautiful son. Now, 18 years later, I continue to celebrate every day.' The profile also features a 'User Info' section with details like account type, diagnosis, full name, email, and date of birth, and a 'Groups' section listing 'Hodgkin Lymphoma'. Red buttons for 'Edit my story' and 'Manage My Story Photos' are visible at the bottom.
