

LLS Community Guide: Searching the LLS Community

The image shows two screenshots of the Leukemia & Lymphoma Society (LLS) website. The top screenshot shows the website header with a search box in the upper right corner, which is circled in black. A black arrow points to the search box. Below the header, there is a navigation menu with links for Home, Articles, Questions, Groups, and Newly Diagnosed. The bottom screenshot shows the search results page for the query "stem cell transplant". The search box contains the text "Search all for stem cell transplant". Below the search box, there is a filter menu with options: All, Posts, Questions, Articles, and Users. The "All" option is circled in black, and a black arrow points to it. Below the filter menu, there is a search result snippet titled "Kidney problems in Multiple Myeloma: do they affect the success of stem cell transplant? (MM)".

1. Click in the **Search** box in the upper right hand corner of any page once you are logged in.
2. Enter your search terms (e.g. leukemia, stem cell transplant, low blood count, etc.) then click **Enter** on your keyboard.
3. You can narrow down the results by clicking on the source option you prefer (**All, Posts, Questions, Articles, Users**) and you will receive the responses related to that specific source.
