**LLS COVID-19 Patient Financial Aid Program**

**Care Team Portal Application**

**Step 1:** Select Create Application for new patient. You can search for existing patients you created on the portal by using the search field.

**Step 2:** Select the LLS COVID-19 Patient Financial Aid Program
**Step 3:** Answer all questions on the Pre-Qualification screen, then select submit.

**Step 4:** Patient Information – Complete all required fields (indicated with an asterisk*)

Please note: If you receive a red X next to the SSN field, this means the patient already exists in our system, please call to have the patient linked to your portal. You will then be able to apply for the patient on the portal.
**Step 5:** Patient Information Cont. – Select Contact, then Verify information

**Step 6:** Patient Information Cont. – Select Additional Tab, complete required question (How were you referred...), then select “create patient”
**Step 7:** Authorized Contacts – Select response, if Yes complete required fields indicated with an asterisk*, once complete select “Next”
**Step 8:** Physician Information – The Provider NPI number you used to register for the portal auto populates in this section.

If the patient’s treating physician or facility is DIFFERENT than the physician, facility, and/or different than those associated with the NPI number you used when you registered for this portal account, you will need to search for the patient’s treating physician using the physician’s first and last name. See step 9.

**Step 9:** Physician Information cont. - Type in First and Last name, then hit “Search” you will see results below if the provider currently exists in our system.

If you see your provider select “Add” next to the provider’s first name.

If you do not see your provider in the list skip to Step 11.
**Step 10:** Physician Information cont. - You will then see your provider at the top of your screen. You will now see two providers, delete the incorrect one by clicking on the trash can icon. Then select “Next”.

---

**Step 11:** Physician Information cont. – If you were unable to see the desired provider in the list, this means this provider does not exist in the system and needs to be created. Select “Create New Provider”.
