

Family Support Groups

The concept of our support groups is based on the idea that open communication about living with a blood cancer is critical to coping with various associated feelings that arise. With appropriate professional guidance, patients and family members are able to discuss their experiences with other patients and families in similar situations. Our groups are designed for all adults living with a blood cancer diagnosis and their family members.

Tucson LLS General Blood Cancer Support Group

Meets the 2nd Monday of each month from 5:00-7:30pm and Cancer Center North.

Light refreshments provided. Please contact Lynne Barwick

lynn.barwick@bannerhealth.com or Laura Haggerty laura.hagerty@bannerhealth.com
