

## What you really need to know about clinical trials: A guide for patients and caregivers

*We hope you can join us for this informative program!*

### VENUE:

**Houston Mill House**  
849 Houston Mill Rd NE  
Atlanta, Ga 30329

### SPEAKERS:

**R. Donald Harvey, PharmD, BCOP, FCCP, FHOPA**  
**Colleen Lewis, NP**  
Winship Cancer Institute of Emory University

### PROGRAM:

Participants will learn details about clinical trials including how to gather information and ask questions of treatment team members to assist in deciding whether standard treatment or clinical trials are the most appropriate for them, how new cancer treatments are developed and approved, myths from the facts about clinical trials, and how to search for clinical trials listings for blood cancers. Participants will also be provided with resources offered by LLS.

We encourage you to invite your caregiver and family members.

**Pre-registration for this free program is required.**
