

## The Many Faces of Leukemia, Lymphoma, and Myeloma

### Location:

Lafayette Library – Community Hall  
3491 Mt. Diablo Boulevard, Lafayette, CA 94549

### Speakers:

Robert Robles, MD, Diablo Valley Oncology & Hematology  
Susan Kao, MD, Diablo Valley Oncology & Hematology

### Program:

Patients and caregivers are invited to attend this free education program focusing on the unique issues of blood cancer patients. Join Dr. Robles and Dr. Kao as they discuss current treatments and emerging therapies in the blood cancer space, with a Q&A Session to follow.

The program will be moderated by Cancer Support Community.

**Pre-registration for this free program is required.**  
**Complimentary dinner will be provided.**
