TO BENEFIT

**LEUKEMIA &
LYMPHOMA
SOCIETY®**

fighting blood cancers

Monday - May 16, 2016

**The Golf Club at Lansdowne
Leesburg, VA**

The Mission is Critical

The mission of The Leukemia & Lymphoma Society is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

The Facts

- Every three minutes someone is diagnosed with a blood cancer
- Every ten minutes someone loses their battle
- Leukemia is the leading cause of cancer death in children & young adults under the age of 20
- Blood cancers are the # 3 cancer killer in North America

How Your Dollars Are Used

To date, The Leukemia & Lymphoma Society (LLS) has invested more than \$1 billion in research aimed at helping all blood cancer patients live longer, healthier lives. We will continue to support research through our innovative and integrated funding programs until every patient has a safe and effective therapy.

- **Research:** LLS supports research in the U.S., Canada and nine other countries. In FY 2014, LLS invested nearly \$80 million in cutting-edge research.
- **Patient Services:** LLS provides a range of services, such as family support groups, an extensive educational website, free seminars and conferences, direct patient financial aid and co-pay assistance.
- **Education:** LLS serves as the world's foremost source of information on blood cancers including an Information Resource Center, an extensive collection of free educational materials, professional education and an award-winning website.
- **Advocacy:** LLS's advocacy program has a strong voice in Washington, DC representing the healthcare and medical research interests of patients and their families to policymakers at all levels of government.

**Help Us Make
Someday, Today!**

MEET OUR PATIENT HERO!

ISIAH - Leukemia Survivor

In May, 2014, Isiah was completing his freshman year of high school. A sports enthusiast, Isiah enjoyed lacrosse, football and basketball. And he had just finished the season playing on his JV lacrosse team! He was also on his way to achieving the Boy Scouts of America rank of Life Scout.

But all of that came to a screeching end when fatigue, fever and headaches brought him to the emergency room.

Isiah and his family soon received the devastating news that he had Acute Lymphoblastic Leukemia (ALL). He spent the next 32 days in the hospital with another 9 months of intense treatment therapies.

With a compromised immune system, Isiah was unable to attend school for his entire sophomore year. Now in remission, Isiah will continue to undergo treatment, including chemotherapy and spinal taps until November of 2017. Throughout his ordeal, Isiah has demonstrated tremendous courage. For now, he is unable to participate in contact sports, but he is determined to beat leukemia and get back to life as a normal teenager.

The mission of The Leukemia & Lymphoma Society is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.
