# Taking the world to new heights.

American Airlines is a proud supporter of  
The Leukemia & Lymphoma Society  
and the 2016 Leukemia Ball.

## help us make history again

Beat AML project leader, Brian Druker, M.D.

Nearly 15 years ago, Dr. Brian Druker and his research team - funded by The Leukemia & Lymphoma Society (LLS) - made history. The therapy they developed tamed one of the most lethal blood cancers, chronic myeloid leukemia (CML), and saved the lives of thousands of patients.

LLS has turned to Dr. Druker again to lead the charge against another deadly blood cancer, acute myeloid leukemia (AML). AML causes more than 10,000 deaths in the U.S. every year. Fewer than 25% of newly diagnosed patients survive beyond five years. Treatment options have not changed in more than 30 years. **It's time for a change.**

LLS launched a groundbreaking Beat AML collaboration in 2013 with Dr. Druker, his team at Oregon Health and Science University's (OHSU) Knight Cancer Institute, top universities and technology companies. By using the most cutting-edge technology, LLS, Dr. Druker and his team hope to do for patients with AML what he achieved with CML.

**Through your support of the Leukemia Ball you are helping to make this ground-breaking research possible, and helping us get one step closer to a world without blood cancers.**

## THANK YOU

**AS CO-CHAIRS OF THE LEUKEMIA BALL AUCTION, WE WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK ALL OF OUR COMMITTEE** members who have worked diligently for months to secure the absolutely extraordinary items you'll see in tonight's Auction. Their assistance in setting up the table displays & for acting as Auction hosts tonight is invaluable. We are confident that you will find this spectacular variety of auction items, the result of the efforts from this truly great group of volunteers, is the best yet for the Leukemia Ball.

We also want to thank members of the Ball's Co-Chair, Executive, Raffle & Public Relations Committees & especially the incredibly dedicated staff of The Leukemia & Lymphoma Society, particularly Stefanie McHugh, Kelly Smith, Kelly Kent, Jaclyn Toll & Beth Gorman. From their assistance in securing items to chasing down little details and coordinating meetings to create this Auction Guide - there is no way we could have achieved our goal of giving you an auction you'll never forget without their assistance.

We'd also like to thank all of the wonderful supporters who have helped to make our 2016 Leukemia Ball Auction truly spectacular: Becky Johnson for designing & laying out the Guide; Colornet for printing the guide; Paxton Movers for arranging to move all the auction items to the Convention Center; American Airlines, our very generous major sponsor & the teams that comprise our DC SportsCenter section, particularly the Washington Capitals, the Washington Wizards, the Washington Redskins & the Washington Nationals. Your generous contributions are instrumental to the success of our Auction, and we cannot possibly thank you enough for playing such a big role in the advancement of The Leukemia & Lymphoma Society's mission.

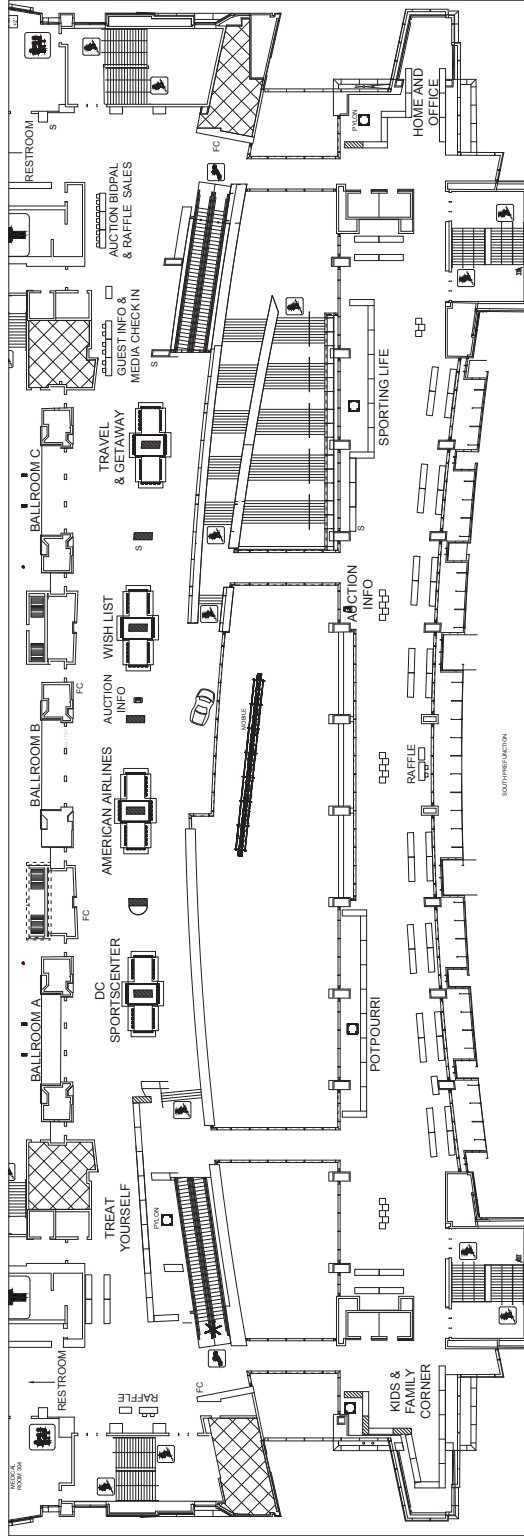

Please also take a minute to look at the generous donors of all these wonderful items for this year's Auction. Please take the time to thank them the next time you see them & support them with your business. We couldn't have done this without the support of all these people & businesses & we sincerely appreciate their generosity. We hope you do too!

### HAPPY BIDDING!

## HOW TO BID

- All bidders must setup **BidPal** mobile bidding on their personal smart phone or secure a **BidPal** in order to place a bid. These handheld devices can be obtained at any Registration table in the entry area & on the Ballroom level. Bid sheets no longer will be used unless we experience technological problems.
- **BidPal** is a mobile bidding app or handheld device that allows wireless bidding. All bids must be made through the **BidPal** system and can be placed from anywhere in the Ball area, including inside the ballroom. Bids can be made until auction close. To place a bid, find the item you are interested in by pressing one of the following buttons: "Enter Item Number;" "View Categories;" or "View All Items." Select the item you want, determine what you want to bid and press "Bid Now."
- Through **BidPal**, you can see descriptions of all the items, photos of them & their value plus their current bid status. You also will receive "outbid" alerts for items on which you have placed bids. You can designate items to watch on you own "item watch list," & you can exercise the "Buy It Now" option on selected items.
- Each subsequent bid must exceed the previous bid by at least the "incremental bid" as shown on the **BidPal**. Bids not meeting these requirements will not be accepted by the handheld device. All bidding will end simultaneously when the auction closes; no exceptions.
- Successful bidders will be notified on the **BidPal** screen. Items can be picked up at the Auction Close-out area, which is located on the level below the main Ball level, starting approximately 80 minutes after the close of the Auction.
- Payment is due in full on March 12th, 2016. Winners may pay by cash, check, Visa, MasterCard, American Express, Diners or Discover. Checks should be made payable to "The Leukemia & Lymphoma Society."
- If the purchaser of an auction item is unable to remove the item the evening of the Ball, delivery will be at the purchaser's sole expense.
