**Program Description**

*Spring to Life Conference on Hematologic Malignancies™: Myeloproliferative Neoplasms (MPNs)* is an accredited, educational program developed by New York Oncology Hematology (NYOH), in collaboration with the Center for Emergency Medical Education (CEME), the Leukemia & Lymphoma Society, and a panel of expert faculty from the academic, research, and community practice settings.

With programming for both healthcare professionals and the community, the goal of this 1-day activity is to bring together cancer care providers and members of the community—including patients, survivors, their family and caregivers—to gain an up-to-date understanding of blood cancers, including ongoing research, clinical management, and emerging therapies. The program also provides perspectives on the impact of cancer on the lives of patients and families.

The 2017 conference will focus on myeloproliferative neoplasms (MPNs). Specifically, clinician sessions will detail standards of care and emerging strategies for chronic myeloid leukemia (CML), polycythemia vera (PV), essential thrombocytopenia (ET), myelofibrosis (MF), and chronic myelomonocytic leukemia (CMML). The theme of the afternoon patient program is Care for the Caregiver.

**Healthcare professionals are welcome and encouraged to participate in the afternoon patient-centered sessions.**
Learning Objectives

Upon completion of this symposium, healthcare professionals should be better able to:
- Discuss the pathophysiology of myeloproliferative neoplasms: including chronic myeloid leukemia, myelofibrosis, polycythemia vera, essential thrombocytosis, and chronic myelomonocytic leukemia
- Evaluate updated practice guidelines and management tools, as well as recent data related to survival, quality of life, and efficacy of available therapies for patients with myeloproliferative neoplasms
- Identify strategies to better engage in patient-centered care
- Describe the design and eligibility criteria for ongoing clinical trials in myeloproliferative neoplasms

Target Audience

The target audience for this conference is family and primary care practitioners, hematologists, oncologists, pathologists, pediatricians, allied health professionals (including nurses, pharmacists, and social workers), basic scientists, and members of the community (including patients and their family and caregivers).

Accreditation Statements

ACME Accreditation Statement
The Center for Emergency Medical Education (CEME) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

AMA Credit Designation Statement
The Center for Emergency Medical Education (CEME) designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Accreditation
Nursing Accreditation provided by the Oncology Nursing Society is pending approval.

Planning Committee

Ira Zackon, MD (Chair)
Medical Hematology and Oncology Director
NYOH Hematology Stem Cell Transplant Program
Hematologist/Oncologist
NYOH, PC
Clinical Assistant Professor
Albany Medical College
Albany, NY

Sami Brake, MD
Hematologist/Oncologist
Director, Plasmapheresis and Transfusion Center
NYOH, PC
Clinical Assistant Professor
Albany Medical College
Albany, NY

Edward Dick, LCSW
Clinical Social Worker
Hoosick, NY

Vikramjit S. Kanwar, MRCP (UK), MBA, FAAP
Chief, Division of Pediatric Hematology-Oncology
Director, Melodies Center for Childhood Cancer and Blood Disorders
Professor, Department of Pediatrics
Albany Medical Center
Albany, NY

Mary Jo Tomlinson, RN, BSN, OCN
Stem Cell Transplant
NYOH, PC
Albany, NY

Guest Faculty

Daniel J. DeAngelo, MD, PhD
Director of Clinical and Translational Research, Adult Leukemia Institute Physician
Dana-Farber Cancer Institute
Associate Professor of Medicine
Harvard Medical School
Boston, MA

Richard M. Stone, MD
Director, Adult Leukemia Program
Chief of Staff
Dana-Farber Cancer Institute
Professor of Medicine
Harvard Medical School
Boston, MA

Faculty

Ira Zackon, MD (Chair)
Medical Hematology and Oncology Director
NYOH Hematology Stem Cell Transplant Program
Hematologist/Oncologist
NYOH, PC
Clinical Assistant Professor
Albany Medical College
Albany, NY

Sami Brake, MD
Hematologist/Oncologist
Director, Plasmapheresis and Transfusion Center
NYOH, PC
Clinical Assistant Professor
Albany Medical College
Albany, NY

Pooja Chaukiyal, MD
Hematologist/Oncologist
NYOH, PC
Clinical Assistant Professor
Albany Medical College
Albany, NY
