SWEDISH CANCER INSTITUTE AT EDMONDS

Cancer Caregivers Support Group

Having a relative or friend with cancer can be very stressful.

As a result, you might be feeling:

- **Exhausted**
- **Helpless**
- **Scared**
- **Overwhelmed**
- **Angry**

Caregivers are invited to attend a support group to share practical information, gain understanding of the caregiving experience and discuss feelings in a safe and caring environment. Come learn from educational presentations and open discussions. There is no fee to attend the support group.

**Meets every first and third Wednesday
of the month from 1-2:30 p.m.**
