Coming Soon...Survivorship Video

The screenshot shows the website for 'Paths to Recovery' by The Leukemia & Lymphoma Society. The header includes the organization's logo and tagline 'Fighting Blood Cancers'. The main title is 'Paths to Recovery: Stories From Two Blood Cancer Survivors', intended for patients, caregivers, and healthcare professionals. A navigation menu includes 'Main', 'Presentation', 'Resources', 'Evaluation', 'CE Info', and 'Contact Us'. A central video player area features a thumbnail image of two men in a meeting and a 'CLICK TO START' button. Below the video area, it states that continuing education (CE) credit is available for nurses and social workers. At the bottom, it identifies the program as a free web education program and provides a contact email for technical support: techsupport@cancereducation.com.

LLS Information Resource Center (IRC) (800) 955-4572

Reach Out to Our Information Resource Center

The Leukemia & Lymphoma Society's (LLS) Information Resource Center provides patients, families and healthcare professionals with the latest information on leukemia, lymphoma and myeloma. Our information specialists – master's level oncology professionals – are available by phone Monday through Friday, 9 am to 6 pm (ET).

Call 800.955.4572 for a complete directory of our patient services programs. Callers may request a language interpreter.

www.lls.org

Co-Pay Assistance

LLS's Co-Pay Assistance Program helps blood cancer patients cover the costs of private and public health insurance premiums, including Medicare and Medicaid, and co-pay obligations. Support for this program is based on the availability of funds by disease diagnosis. **For more information, call 877.557.2672 or visit www.lls.org/copay.**
